

Echoes from Chapter 2016
Tuesday, August 23, 2016

“Rooted in Jesus Christ, let us cultivate love and compassion”

“Holy sacred spirit breath your breath on us. Holy sacred spirit breath your life in us.”

Today the Chapter delegates entered a new phase, days of leadership discernment and election process. The facilitator began the day by speaking about principles of communal discernment and worked with the delegates to develop norms for this process.

There will be limited communication of the daily proceedings as this part of the Chapter is open only to the delegates. But to keep you updated as much as possible we want to introduce you today to delegates who make up the eight tables. These delegates* will be spending the next four days in discernment and election of the new General Leadership Team (*Sisters only; associates have left Chapter at this point).
