## Sr. Cathy Molloy Helped Create Sustainable Ministries in Cameroon – Thanks to you!

**S**r. Catherine Molloy (S. Joseph Maura) is celebrating 59 years as a CND Sister. She recently returned from a 16-year mission to the CND region in Cameroon.

Sr. Cathy hadn't been thinking about serving in Cameroon. Then she read in a CND newsletter about the need for English-speaking Sisters there. In February 2001 she joined Canadian CND Sr. Cecile Buote in Kumbo, Cameroon. Srs. Cathy and Cecile started a new community for Cameroonian young women considering religious life.

The needs of the people were obvious. Sr. Cathy saw right away that the school children needed more books to read. She started a story hour for elementary students. Over

the years that grew into a library with over 2,000 titles.

She saw there was a need for clean water. The infrastructure existed, but some could not afford to connect to it. Canadian CNDs raised enough money to link 17 widows and single mothers to the water supply. This led to the OK (Ottawa-Kumbo) Clean Water Project. The Project has been ongoing for 14 years. Through its efforts water now reaches 53 villages.

It was important, Sr. Cathy says, that both the water project and the library become self-sufficient. "Partnership was always a key factor - working WITH, not doing for." The water project "had to become

Cameroonian with Cameroonian leadership to have sustainability." That happened. The transition took place on Aug. 1, 2016. Sr. Cathy also put together a team of parents and teachers to continue the library. That transition took place in January 2017.

*"The missions of the community have given me an education beyond any book or course. They've allowed me to witness the resiliency of the human spirit and what people are able to cope with." - Sr. Cathy Molloy, CND*

## An Engineer is Becoming a CND!

Your support makes our formation program possible. Thank you!

**L**ibby Osgood entered the Congregation of Notre Dame as a novice on Aug. 26, 2017. Sr. Libby has accomplished a lot in her 34 years. She has a Ph.D. in mechanical engineering. She has worked on two NASA satellites. She has taught engineering and robotics and encouraged young women to enter the sciences. Yet in the midst of all her scientific work, Sr. Libby never stopped searching for where God was leading her. She attended Mass and was active in parishes. She traveled to Kenya six times on aid missions.

In 2011 she was teaching at the University of Prince Edward Island in Canada. There she met Sr. Susan Kidd, CND, the campus minister. Sr. Susan introduced Libby to other CND Sisters. The Sisters revealed

## Celebrating 50 Years as a CND!

Sr. Patricia Ells, CND, celebrated her Golden Jubilee (50 years) at our province headquarters in Wilton, CT on June 24, 2017.

Sr. Pat entered the Congregation of Notre Dame after graduating from Waterbury (CT) Catholic High School. She has taught chemistry and science and has served in the administrations of several educational institutions. She became the Bursar of Blessed Sacrament Province in October 2017.

Congratulations, Sr. Pat!

to her that teaching was a form of ministry. They told her, “You do ministry every day.” Sr. Libby says, “All of a sudden I realized I could be an engineer and I could be a Sister.”

She applied to enter the Congregation and was welcomed as a candidate in October 2016. Sr. Libby describes a candidate year as a “come and see” year. She got a “good sense of all aspects of what a CND does.”

The next step in her formation is the novitiate. This is a two-year period of prayer and study under a director who will help Sr. Libby discern God’s will for her. Sr. Libby calls it “nun boot camp.” She now lives at the Our Lady of Mount Carmel CND Novitiate Community in White Plains, NY with four other CNDs. “In the novitiate you shed all the extra things in your life, the extra stuff that isn’t you. It’s just you and God and from there you integrate CND traditions and ministry.”

“What drew me to the CNDs,” Sr. Libby says, “is their desire to go to the peripheries of society. It’s their desire to serve in unconventional ways as lawyers, counselors, nurses, teachers, and even as an advocate at the UN.” In this vein she hopes to return to UPEI to teach both the word of God and courses in engineering design.

“People started looking at the stars thousands of years ago and wondered why. Science and religion go hand in hand to explain the beauty and majesty of that view. It’s proof how much God loves us. And I have an opportunity to show that love to the world and take care of that world.”

Welcome, Sr. Libby!

***“All of a sudden I realized I could be an engineer and I could be a Sister.”***

- Sr. Libby Osgood, CND

### Your Gifts Benefit All Our Sisters Our 2017-2018 Annual Appeal is Underway!\*

Your tremendous generosity raised over \$100,000 for our Sisters in the 2016-2017 fiscal year!

Our Annual Appeal sustains

- our Sisters who receive little or no pay as they share Christ's love with the poor and vulnerable. *Think of Sr. Terry Martin's ministry in Appalachia, which was featured in our current Annual Appeal letter.*
- our retired and infirm Sisters as they continue to serve God through prayer.

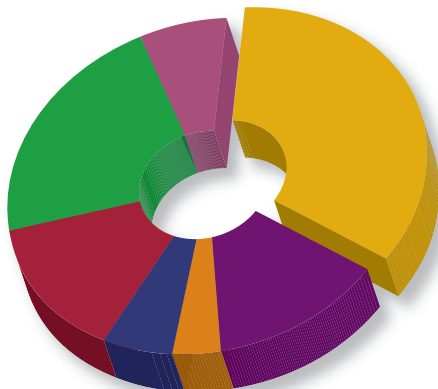

**Religious Sisters receive no funding from the Vatican or local dioceses. We alone are responsible for covering our costs. That's why we need your support!**

We hold you and your loved ones in our prayers every day. **THANK YOU for your kindness and partnership with us!**

## A CND Associate and Her Husband Join the Legacy Society!

“It was an easy decision for Peter and me to join the Legacy Society of the Congregation of Notre Dame. The loving charism of St. Marguerite

Bourgeoys and the grace of the CND Associate relationship have sustained us. They have made a difference in times of both joy and sadness. They are wellsprings of hope and spiritual sustenance, rich in friendships and generous visitations.

Making the Congregation part of our legacy seems natural. We want to support the Congregation in whatever direction the Spirit takes it, and however the charism of Marguerite grows.”

- Veronica Gilligan White, CND Associate

## Sr. Cathy Molloy... *(continued from page 1)*

“I’m thankful for every place I’ve served,” Sr. Cathy says. “The missions of the community have given me an education beyond any book or course. They’ve allowed me to witness the resiliency of the human spirit and what people are able to cope with.”

Sr. Cathy is now part of the CND Novitiate Community in White Plains, NY. She plans to welcome novice Libby Osgood to the CND community and “support her in her discernment.”

**Sr. Cathy received no salary for her ministry in Cameroon. Your generosity enabled her to improve hundreds of lives.**

## CND Orientation 2016-2021

Rooted in Jesus Christ, in love and compassion, we, CND Sisters and Associates, through contemplative dialogue, dare to:

- Live interculturality. Face our fears and vulnerabilities. Be open to and celebrate the diversity of generations, cultures, attitudes and structures.
- Go to the peripheries. In a spirit of mutuality and collaboration, respond in hope to the cries of our wounded world.
- Honor and respect our “common home.” Take concrete action, resist the forces of destruction and promote life in all its forms.

JESUS CHRIST CALLS US TO HUMANIZE ALL OUR RELATIONSHIPS. HOW THEN SHALL WE LIVE TODAY?

## Have you included the CNDs in your will? Join the Legacy Society!
